## ALLERGEN INFORMATION

At Chow we attempt to provide as complete as possible allergen information about the food and drink served at our sites. Whilst we have strict controls and standards, we prepare some food and drinks on site using a wide range of ingredients and cannot ensure that there is no cross contamination and therefore we can't guarantee that these products are completely allergen free.

Y Contains - a planned ingredient which is definitely present

? A supplier has reported to us a real risk of cross contamination on their production line OR there is a potential cross contamination through shared cooking equipment in our kitchens.
